NO SHOW / LATE CANCELLATION POLICY AND FEE

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment in a timely manner, you may be preventing another patient from getting much needed treatment. Conversely, the situation may arise where another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly "full" appointment book.

Ultrasounds: For our patient's convenience, we are able to schedule ultrasounds in our office. However, scheduling your ultrasound requires us to book an ultrasound technician to come to our office and be available for the scheduled times. A late cancellation or no show results in direct costs of the ultrasound technician.

Surgeries: Scheduling your surgery requires significant coordination between the hospital or surgery center, your insurance company, anesthesiologist and first assist, if applicable. A late cancellation or no show creates significant disruption.

Therefore, in order to continue to better utilize available appointments for our patients in need of medical care, we strictly enforce the following No Show / Late Cancellation Policy. **Please read the following agreement carefully, fill in the required information, and then sign and date below**.

______ • I understand that if I do not cancel my scheduled appointment (as detailed below), I will be charged a late fee (also detailed below), which is not billed to my insurance:
  - **$25.00** for an **office appointment**, if I do not cancel at least **24 hours** prior to my scheduled appointment.
  - **$75.00** for an **ultrasound appointment**, if I do not cancel at least **48 hours** prior to my scheduled appointment.
  - **$150.00** for a **scheduled surgery**, if I do not cancel at least **72 hours** prior to my scheduled appointment.

______ • I understand this policy, agree to its terms and authorize Galleria Women's Health to assess no show and late cancellation fee according to the policy outlined to the Credit Card /Debit Card listed below.

☐ Visa ☐ MasterCard ☐ Amex ☐ Discover

Cardholder Name: ______________________________

Account Number ______________________________

Exp. Date: ______ /______ CVV: __________

______ • For Ultrasound/Surgery Appointments, in case of a cash deposit instead of credit card information, I understand that the $75.00/$150.00 deposit will be refunded to me on my first visit after the procedure.

FREQUENTLY ASKED QUESTIONS
CREDIT CARD ON FILE – NO SHOW / LATE CANCELLATIONS

1. Why does Galleria Women Health require Credit Card on File?

Galleria Women's Health is committed to providing the highest quality care to our patients in a timely manner. However, we only have a fixed number of appointments available on a clinic day and an extensive waiting list. When you do not call to cancel an appointment in a timely manner, you may be preventing another patient from getting much needed treatment. Conversely, the situation may arise where another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly "full" appointment book. In order to continue to better utilize available appointments for our patients in need of medical care, we strictly enforce the following No Show / Late Cancellation Policy. Your credit card will be charged a No Show / Late Cancellation Fee if you do not call to reschedule your appointment in a timely manner

2. How much is the No Show / Late Cancellation Fee?

It depends on your type of appointment. It is as follows:
$25.00 for an office appointment, if not cancelled at least 24 hours prior to the appointment.
$75.00 for an ultrasound appointment, if not cancelled at least 48 hours prior to the appointment.
$150.00 for a scheduled surgery, if not cancelled at least 72 hours prior to the scheduled date of surgery.

3. Why is the No Show / Late Cancellation Fee higher for Ultrasound and Scheduled Surgery?

Ultrasounds: For our patient's convenience, we are able to schedule ultrasounds in our office. However, scheduling your ultrasound requires us to book an ultrasound technician to come to our office and be available for the scheduled times. A late cancellation or no show results in direct costs of the ultrasound technician.

Surgeries: In addition to available surgery slots being very limited, scheduling your surgery requires significant coordination between the hospital or surgery center, your insurance company, anesthesiologist and first assist, if applicable. A late cancellation or no show creates significant disruption and prevents another potential patient to be scheduled for that time slot.

4. How is my credit card information stored?

We place a high priority on keeping your personal and financial information secure. Under the Payment Card Industry Data Security Standard (PCI DSS), our payment processor, Cornerstone, is required to comply with very strict standards to safeguard your credit card information. Galleria Women's Health as a merchant of Cornerstone is also required to maintain PCI compliance. Our staff enters your information into our secure e-payments portal. All communications (between SSSC, e-payments, the acquiring bank and the issuing bank) are encrypted end to end with a 1024-bit RSA public/private key pair assuring server authenticity and invulnerability to man-in-the –middle attacks. Our system runs in secure mode using SSL (Secure Sockets Layer) which encrypts all communication data.

5. What if my credit card information changes?

If the credit card we have on file for you changes, please notify us IMMEDIATELY, by calling our office at (702) 983-2010. It is not uncommon for people to change or cancel their credit cards for various reasons, including when a credit card expires. That is quite understandable. If we run your credit card and it is denied for any reason, we reserve the right to charge an additional $25 declined card fee if we are not able to run a new credit card within 7 days. We will contact you or leave you a phone message on the phone number you provided for us, asking you to give us a call with the new number right away. We will enter the new credit card number into your file, and that will become your new card on-file, subject to the same financial policy.

6. What happens if I do not have a credit card?

If you do not have a credit card or debit card, we can accept a $100 deposit at check-in before your appointment for office visits. For surgeries, the deposit will be $150, which will be refunded to you on your first visit after the surgery.
